# THE CALL

*Honoring the Past — Embracing the Future!*

Downtown Tampa, Florida ✦ March 2016

## *Reverently Speaking*

*A friend loves at all times, and a brother is born for times of adversity.*

—Proverbs 17:17

Dear People of St. Andrew's,

We first met in the church courtyard on a warm evening in September 2013. We hit it off immediately. She was devastatingly attractive and had pretty green eyes that could see right through to my soul. Sure, there was quite an age difference, but that did not matter to either of us. We bonded so well in that first chance encounter that I decided to take her home with me that evening. My wife was a bit shocked when I introduced her to the new love of my life, but decided to allow the new girl to move in with us anyway. She purred like a kitten because, well, she *WAS* a kitten (about four months old, it turns out). I named her Carly. I discovered that she and I had much in common. We both loved to eat numerous times each day and take naps. I favored the sofa while Carly frequented the kitchen chairs and the big family room easy chair. We both enjoyed catching some rays on the backyard patio. We both had our doctors tell us to lose weight.

Carly was a bit of an unusual cat in that she actually liked having her belly rubbed. As you rubbed her fluffy, chubby, white tummy, she would stretch out as far as her little body would allow and then smile. Yes, you could see her little face smirking while she was being petted. Carly liked nothing better than to be petted and petted and petted some more.

Carly was a clean cat who preferred to keep her black fur black and her white fur white. She was also quite amenable to keeping me clean as well, licking my hands and fingers just as vigorously as she cleansed herself.

We both had a penchant for the *St. Petersburg Times*. Each evening I would sit down in my recliner, grab the newspaper, then have Carly arrive in my lap so that the two of us could catch up on the news together. She loved to nuzzle and would often bury her head between my neck and two chins.

Carly would help with just about any task, from decorating the Christmas tree to doing the taxes to conducting research on the computer.

Unlike me, Carly was a mighty hunter. She prowled daily in the wilds of the backyard. Her most common prey were the various lizards and skinny snakes that lived out back. On really good days, she would bring home a mouse or squirrel. She proudly displayed her trophies on the back door step, then promptly ate them (unless we intervened and buried the little critters). She also had a knack for 'roaching.' Just put her in a dark garage and she would invariably find any and all cockroaches within a matter of minutes. She didn't eat those, however. 'Roaching' was just for sport.

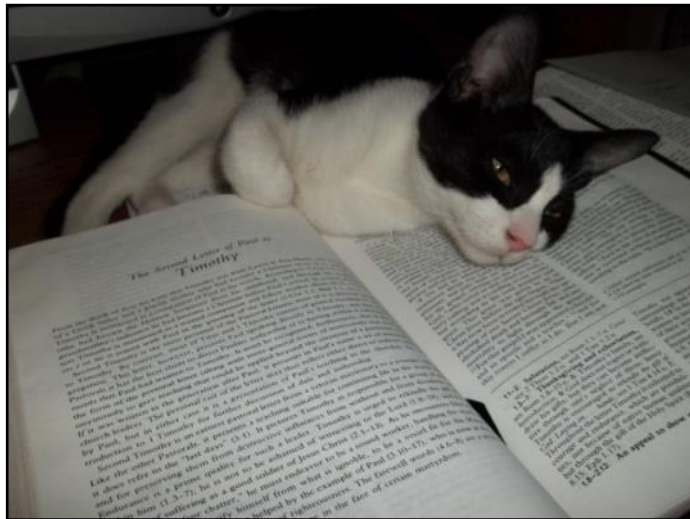

Also unlike me, Carly was a deft tree climber. While she favored species of a smaller variety, she was not averse from scaling the mighty oaks. She had no trouble extricating herself from such lofty heights and was always looking for a new challenge.

Carly was also a keen observer of the geckos that live in the column on our front porch. She would spend warm evenings waiting for the geckos to appear and traverse the walls and ceiling of the porch, hoping for a chance to pounce if one of them should dare come close to ground level.

Carly and I were best friends. We were both creatures of habit that were perfectly content with our daily routine, much of which involved each other. She was always there to give me unconditional love and wise counsel after a long day at church. She never complained (at least as long as I kept to her regular dining schedule) and was always there to boost my morale. No matter what was weighing me down, an evening with Carly guaranteed that the load would be lifted. That's because a true friend loves always and is there for you in times of adversity (as Proverbs 17:17 notes). It seems that Carly knew her Scriptures and lived a life full of love and friendship.

Carly was hit by a car and killed on February 13<sup>th</sup>. I shall miss her very much. A slightly altered version of a poem I read called *The Mile* sums it up well:

Kitties come into our lives and walk with us a mile.  
And then - because of circumstance - only stay a while.  
They fill a need within, the days move quickly by!  
And then they're gone - beyond our reach - we often wonder why!  
God only knows the reason why we meet and share a smile.  
Why kitties come into our lives and walk with us a mile.

*Carly resting in God's Word*

Yours in Christ,

The Rev. John Reese

## **Tuesday Evening Lenten Series A Brief Overview of Islam**

What is the origin of Islam? Who was Mohammad? What does the Koran say? What are the required practices of Muslims? What is Jihad?

For six Tuesdays in the season of Lent (**February 9, 16, 23, & March 1, 8, 15**) we will have Holy Eucharist in the Children's Chapel at 5:30pm, followed by a pot-luck supper at 6:00pm in the Parish Hall and the Lenten program from 6:30 to 7:30pm. Fr. Ed Rich will present a short course on Islam. We will gain an historical perspective, consider the relationship among the three great monotheistic religions, the spread of Islam from a tiny desert village in Saudi Arabia to a world-wide religion, touch briefly on the Crusades, the Barbary Pirates, and the recent events in the Middle East, Yemen, Syria, Iraq, Iran, and Muslim migration into Europe. At the end of each class there will be time for questions. Please join Fr. Rich for this series on a very timely issue. (*Alicia Schmid will lead a program for children on the 6<sup>th</sup> floor each week during Fr. Rich's presentation.*)

### ***Stations of the Cross: Fridays in Lent 12:10pm***

Come and join us for this 30-minute devotional, observed on Fridays at 12:10pm running through Good Friday on March 25. Our Stations of the Cross, a gift from Nathan & Jane Simpson, are a series of pictures representing certain scenes in the Passion of Christ, each corresponding to a particular incident. Formerly the number of stations varied considerably in different places but fourteen are now generally acknowledged. The object of the Stations is to help the faithful to make in spirit, as it were, a pilgrimage to the chief scenes of Christ's sufferings and death. It is carried out by passing from Station to Station, with certain prayers at each and devout meditation on the various incidents in turn. It is very usual, when the devotion is performed publicly, to sing a stanza of the "Stabat Mater" while passing from one Station to the next.

### ***Make a Pledge for 2016***

We are still in need of approximately \$5,000 in additional pledges in order to have a balanced budget for 2016. If you have not yet made a commitment to give to St. Andrew's for this year, please return your pledge card as soon as possible. If you did not receive a pledge card in the mail, cards are available at the back of the church, in the Parish Hall, or through the parish office (813-221-2035). St. Andrew's needs your help in the coming year!

***We have currently received 176 pledges for \$441,259  
Support St. Andrew's in 2016!***

## Adult Christian Education

### John: The Gospel of Light and Life

The Gospel of John is the most deeply spiritual of the four Gospels. It includes some of the loftiest and most loved verses in all the Bible: “And the Word became flesh...,” “For God so loved the world...,” “You who are without sin cast the first stone...,” “I am the resurrection and the life...,” “I am the way, and the truth, and the life.” The writing is filled with rich images and profound truths, but John notes that his aim in writing the Gospel is that his readers will not only believe in Jesus Christ, but that they “may have life in his name.”

This Lent, join Adam Hamilton and experience a season of spiritual growth and life-changing renewal while reading the entire Gospel of John. In these 10-15 minute videos, Hamilton shares insights with a group of 15 people, then answers their questions. Each week, we will watch the video, then have our own period of discussion. Hamilton is pastor of The United Methodist Church of the Resurrection in Leawood, Kansas.

- Mar 13 The Arrest, Trial, and Crucifixion of the King
- Mar 20 Eternal Life

### The Faith of a Mockingbird A Small Group Study Connecting Christ and Culture

Pastor and author Matt Rawle is on a mission. He sees Christ all around him—in books, movies, TV shows, rock music—and he wants to share what he sees. As Matt says, “God offers the raw ingredients, and ‘culture’ is whatever we cook up.” In *The Faith of a Mockingbird*, based on Harper Lee’s *To Kill a Mockingbird*, Rawle uses Lee’s beloved characters to explore Christian faith, theology, and ethics. Join Scout, Atticus Finch, Boo Radley, and Tom Robinson in this four-week study considering God’s world and what it all means. Each week we will view a short DVD focusing on a particular character from the book, then have discussion.

Here is the line-up:

April 3 – Using the song of the mockingbird, Rawle describes how cultural movements affect the church and church life challenges culture, like the movements of a Spirit-inspired dance.

April 10 – Rawle uses Atticus Finch to describe the difference between a hero and a saint, and how Christ calls us to put aside our heroic aspirations for a saint’s holy calling.

April 17 – In order to explain the difficulty of recognizing systemic racism, Rawle uses how a choir stays in tune to show how easy it is for a system to miss the mark.

April 24 – Using the mystery of Boo Radley, Rawle explains how the more we practice God’s will, the more our holy imagination can capture who God is and what God is doing in the world.

*These classes, facilitated by the Rector, meet in Room 302 (the Library) on the third floor of the Parish Building.*

**Bible Study: Thursday morning at 10:30am  
Revelation: 22 Studies for Individuals  
and Groups**

N.T. Wright Bible Study Guides

Many regard Revelation as the hardest book in the New Testament. It is full of strange, lurid, and sometimes bizarre and violent imagery. As a result, people who are quite at home in the Gospels, Acts and Paul find themselves tiptoeing around Revelation with a sense that they don't really belong there. But they do! This book offers one of the clearest and sharpest visions of God's ultimate purpose for the whole creation. Here we see how the powerful forces of evil can be and are being overthrown through the victory of Jesus the Messiah and the consequent costly victory of his followers.

Mar 17: Rev. 10: A Little Scroll

Mar 24: Holy Week—No Bible Study

*This class, facilitated by Alice Prucha, meets in the Library on the third floor of the Parish Building.*

**The Book Club** will meet next on **March 29** at Mary Beth Harris' home. We will be reading and discussing *The End of Your Life Book Club* by Will Schwalbe. This is the inspiring true story of a son and his mother, who start a “book club” that brings them together as her

life comes to a close. Over the next two years, Will and Mary Anne carry on conversations that are both wide-ranging and deeply personal, prompted by an eclectic array of books and a shared passion for reading. Throughout, they are constantly reminded of the power of books to comfort us, astonish us, teach us, and tell us what we need to do with our lives and in the world. Reading isn't the opposite of doing; it's the opposite of dying. The result is a profoundly moving tale of loss that is also a joyful, and often humorous, celebration of life: Will's love letter to his mother, and theirs to the printed page.

### **Father Stadel Update**

Father Stadel underwent successful surgery to remove a spot on his lung on February 11 at St. Joseph's South Hospital. He is now at home. The predicted recovery period for this type of surgery is approximately three months. With that in mind, Jerry has made the decision to retire from his role as assisting priest here at St. Andrew's. Keep him in your prayers. Feel free to contact him with some encouraging words (his cell phone number is 813-220-7284) or send him a card at his home address (1014 Pinegrove Dr., Brandon, FL 33511). We are most grateful for Jerry's wonderful decade of service here at St. Andrew's and wish him a full recovery.

## Choral Evensong and Pot-luck Supper on March 6

St. Andrew's Choir will offer a service of Choral Evensong on March 6, the Fourth Sunday in Lent, at 5:00 p.m. Dr. Haig Mardirosian will accompany the choir in John Ireland's most celebrated anthem, "Greater Love." The choir will also sing the *Preces and Responses* of William Byrd and Orlando Gibbons' *Short Service* Magnificat and Nunc Dimittis. A wine-and-cheese reception in the courtyard will follow the service.

Parishioners are also invited to join members of the Tampa Chapter of the American Guild of Organists for a pot-luck supper at 6:30 p.m. in our parish hall. After supper Dr. Mardirosian will give a talk entitled "An Organist's Profiles in Courage":

*In 1957, then-Senator John F. Kennedy (actually Theodore Sorenson) wrote a Pulitzer Prize book outlining the brave and sometimes defiant acts of eight Senators through American history. Much of that book was about defiance and those taking a stand in the face of justice, unity, ethics, and bravery. These were formative individuals in American political identity (at least in the context of the noble profession of politics as it existed 50 or more years ago).*

Borrowing upon that notion, Dr. Mardirosian will reflect on a similar group of figures in the organ world in the United States, many of whom he knew, who contributed mightily to the ascendancy of the pipe organ to a position of prominence in the past 50 years. "These biographical reflections will compose a narrative of the many threads of thinking and practice that have informed our profession and our tastes even to the present day."

Seating for dinner is limited, so RSVP to Michael Hunter ([music@saintandrewstampa.org](mailto:music@saintandrewstampa.org)) no later than March 1 and indicate whether you will bring a salad, side dish, or dessert to share.

**WANTED: INSTRUMENTS!** The choir needs YOUR HELP for their trip to Guatemala. In exchange for hosting the Choir's concert in Antigua Guatemala, the Catholic church of La Merced, has requested the donation of a violin, which will be given to a child who participates in the church's children's orchestra. If you have an instrument that you (or your child) played in high school and is now collecting dust in an attic or closet, please consider donating it for this very worthwhile cause! The choir will have a 2 hour session with the children prior to their concert, and will also sing with them during mass at La Merced. Any and all instruments will be gladly carried to Guatemala to give to the children of the "Orchestina," but a violin was specifically requested. You can be assured that many photos of the exchange and the children will be taken and shared when the choir returns. Thank you!

## Seventeenth Annual Bach Birthday Bash

The seventeenth annual Bach Birthday Bash will be held on **Thursday, March 31**—Johann would be 331 years old this year! Initiated in 2000 by the Tampa Chapter of the American Guild of Organists, the "Bach Bash" offers music lovers a varied program of instrumental and vocal works from the Baroque master. Donations received at the concert help fund the Margaret Smith McAlister Scholarship for beginning organists in the Tampa area.

The concert begins at **6:30 p.m. at Sacred Heart Catholic Church** (corner of Florida Avenue and Twiggs Street). The concert then progresses to St. Andrew's. At the conclusion of the concert, all will adjourn to St. Andrew's parish hall for birthday cake (without the 331 candles). Please plan to attend and enjoy some of the sublime music of J. S. Bach while supporting scholarships for beginning organists.

# January Vestry Meeting Highlights

## Rector's Report:

- As of January 19, there was \$217K in ops account. There is 140K in the Foundation's checking/CDs – monies available to the vestry. We also have \$38K available from the Foundation principal as a result of the 2.25% spending allocation designated by the Foundation Board for 2015. We have \$70K in the parish reserve account. And there was \$1,724,209 in Foundation principal as of December 31 (a drop of \$33K for 2015). There is also \$89K in the Dan Curtis fund fbo St. Andrew's within the Community Foundation of Tampa Bay.
- Christmas Pageant – during 10:30am service on Sunday, December 20 (we had two dozen kids in this and it was a great pageant – Alicia did a fine job)
- Hanging of the Greens – after the 10:30am service on Sunday, December 20. Many hands made for light work. We finished up in record time! Jan Smith did a great job in heading this up.
- Christmas Lessons & Carols – at 5:00pm on Sunday, December 20, followed by Christmas party in the Parish Hall hosted by Parish Life. Attendance was great (116). We should do this again come December.
- Christmas Services – at 5:30pm and 11pm on Christmas Eve (with pre-service music beginning at 5:00pm and 10:30pm), and 10:00am on Christmas morning. Overall, attendance was great. We packed the 5:30, as usual, and had a nice increase in attendance at the other two services over last year.
- Stewardship Campaign – Pledge cards were mailed out on November 2. A second mailing went out on November 23, with a third mailing on December 14. Vestry members received names of outstanding pledgers at vestry meeting on December 21. A postcard mailing was done in early January. We currently have 155 pledges for \$397K. We have yet to hear from many families. There are 40 outstanding pledging units who pledged \$75K in 2015 that we have yet to hear from for 2016. Pledge cards were mailed to those families on January 20. The 2016 budget will be relying on receiving at least \$50K out of that outstanding \$75K in order to meet 2016 expenses (which will only be 1% more than last year). We started this campaign late (early November). Next year, it would behoove us to send out the first mailing in early October.
- Vestry Nominees – Once again we have five nominees for the five slots. Thus, another Communist election looms, with the proletariat basically voting 'da' or 'nyet.' But Richard tried hard, asking 39 people to run – that's right, 39. Thus, we were turned down by 34 folks.
- Foundation Board Nominees – Richard Ferlita and Martha Cobb are willing to run for the two slots, which are for three-year terms. (Nancy Turner and Wes Tibbals are rotating off the board.) This election takes place at the annual meeting.
- Annual Meeting – on Sunday, January 31 at noon.
- Shrove Tuesday Pancake Supper – on February 9 at 6:00pm, preceded by 5:30pm service in Children's Chapel. Lenten Series begins that evening at 6:30pm, with The Rev. Ed Rich leading a six-week series on Islam. Each successive Tuesday, February 16 through March 15, we will have service at 5:30pm in Children's Chapel, pot-luck supper at 6:00pm, and the program from 6:30-7:30pm. Alicia will offer a program for children on the sixth floor during that same hour each week.

## January 2016 Operating Summary

	<u>MTD Actual</u>	<u>MTD Budgeted</u>	<u>YTD Actual</u>	<u>YTD Budgeted</u>
<b>Revenues</b>	\$48,934	\$47,607	\$48,934	\$47,607
<b>Expenses</b>	\$61,275	\$47,607	\$61,275	\$47,607
<b>Net</b>	(\$12,340)	\$0	(\$12,340)	\$0

- Ash Wednesday – on February 10 with services at 7:30am, 12:10pm, and 7:00pm (with choir). All services will have imposition of ashes.
- 2016 Proposed Budget – is under separate attachment, along with the 2016 pledge report. We will need to finalize and adopt a 2016 budget at our Monday meeting. **Review of line items – increase of 1% from previous year’s budget.**

***A motion was made by Ms. Baker to add a \$6,000 line item to the 2016 budget to fund the Easter and Christmas guest musicians. Ms. Borsch seconded the motion and, after lengthy discussions, the line item addition was unanimously approved as presented.***

Possible Tenants for upper floors - Rojo, the architects who did the plans for our renovations in 2008/2009, came by to look at the upper floors on Wednesday, December 16. They provided us with a proposal on January 14, which amounts to \$46K. The lateness of the proposal, coupled with the high cost, indicates that Rojo has plenty of work and does not need our business. We should probably get another architectural opinion.

We also need to think about costs involved. Richard Chapman provided some guesstimates on a build-out (he can only guess since we do not have any architectural renderings or mechanical drawings. Ballpark figures (and I stress, these are ballpark figures) reveal that it will probably cost \$250K each to renovate 4<sup>th</sup> and 5<sup>th</sup> floors, \$150K to refurbish 6<sup>th</sup> floor to meet Proximiti’s needs. (Proximiti can stay in their present location until the end of the year, thereby giving them more time to consider where they will re-locate.). Plus, add in the \$46K (or so) for architect fees.

If you can think of other possible scenarios, please bring them to the table at the meeting on Monday. There was much discussion in response to the first quote provided by ROJO. The vestry decided to secure more quotes and vary the “plan” from a customized remodel to a generic remodel. Will revisit next time.

The Diocese issued a statement that a portion of the annual apportionment (about one month’s payment to the diocese) will be refunded. The diocese would like to know how we are planning to spend the refund.

***A motion was made by Ms. Baker to split the apportionment refund 50/50 between the Outreach and Youth/Children’s Christian Education ministries. Ms. Borsch seconded the motion and, after some discussion, the motion was approved.***

**Sr. Warden – Mr. Ferlita:**

The vestry will provide dinner on February 16 for the Lenten series.

Five people will run for incoming vestry at annual parish meeting.

The refrigerators in the parish hall need to be replaced. Donations will cover one and St. Andrew’s needs to pay for two.

***A motion was made by Mr. Baker to pay for the refrigerators out of the Parish Reserve Account, not to exceed \$1200. Ms. Baker seconded the motion and, after no discussion, the motion was approved as presented.*** (NB – In a later development, donors actually paid for two of the fridges, while the church paid for one.)

**Jr. Warden – Mr. Levy:**

The leaking continued with the rain and needs to be addressed. Reviewed quotes of parapet sealing with additional add-on’s (painting entire building, caulking of windows, first floor of parish hall, etc...) and will consult with the Building & Grounds Committee before proceeding.
