THE CALL

Honoring the Past — Embracing the Future!

Downtown Tampa, Florida ✦ February 2022

Reverently Speaking

For we are what he has made us, created in Christ Jesus for good works, which God prepared beforehand to be our way of life.

Ephesians 2:10

Dear People of St. Andrew's,

Dr. Robert Schuller—famous for coining the phrase *possibility thinking*—was once asked in an interview how he developed such a positive, optimistic outlook on life. He said he developed this attitude through his morning prayer time. Every morning, he would pray, “Dear Lord, lead me to the person You want to speak to through my life today. Amen.”

That’s an interesting prayer. “Dear Lord, lead me to the person You want to speak to through my life today.” How could such a simple prayer change his whole outlook on life? Dr. Schuller says that this prayer caused him to see the people around him as opportunities for God’s blessings. Because of this prayer, every interaction became an opportunity for God to speak through him. Don’t misunderstand. He didn’t assume he had all the answers. But the burden wasn’t on him. He assumed that if he would do his part, God would work through him to bring some truth or love or mercy into that person’s life.

What would change about your life if you viewed every moment as a limitless opportunity to live for God? Every moment. The time you spend commuting each morning. The conversations in the locker room or the conference room or the music room or on social media. What would those moments look like if you knew God was working through you to change people’s lives?

In Ephesians 2:10, Paul writes, “For we are God’s workmanship, created in Christ Jesus to do good works which were prepared in advance for us to do.” Prepared in advance. God not only created us for good works, God prepared those good works for us in advance. God didn’t just make you for a purpose, God made you with a plan in mind. God made you for specific good works that were prepared *in advance* for you to do. There is nothing random or meaningless about your life. Every moment was created for God’s sacred purposes.

Doing great things for God begins with simple trust that the One who has called us will not forsake us as we seek to follow His call.

I was struck by some wise words written by finance blogger Bob Lotich comparing God with former Buccaneers quarterback Tom Brady. And no, he didn’t say Brady can walk on water,

though I'm sure some of his fans think he can. Here's what Lotich wrote: "God loves throwing lead passes."

What does that mean? "God loves throwing lead passes."

Lotich explains that a lead pass in football is when the quarterback throws a long pass not to where a receiver is, but to where a receiver is going. For a lead pass to work, the receiver runs ahead of the ball being thrown and trusts that the quarterback is going to throw it to just the right spot.

Bob writes, "With God, when you follow His principles, the results are almost always delayed. As in, when He asks you and me to do something, we rarely see the results of it immediately. We have to keep doing what we know He told us to do (running) and trusting that God will get us the results (the ball) somewhere downfield . . . If I were playing catch with NFL quarterback Tom Brady and he said, 'Just start running and the ball will be there when you get there,' I would trust him. He has 7 Super Bowl rings that prove he can sufficiently get the ball to a receiver downfield.

"How much more can we trust God when He says, 'Just start running. I'll take care of the rest'?"

"Whatever you are trusting Him for today," says Bob Lotich, "just keep running, and trust that He's got it all worked out."

God's plan is not about you. It's not about me. It's about God working through us. But God gives us a choice. What we give to God, He will use for His purposes. So, what would happen if you gave everything to Him?

God made you for a sacred purpose. You can't un-hear that truth. Every moment you are alive is a sacred opportunity to do good works that God prepared in advance for you to do. The only obstacle standing between you and God's sacred purpose is your willingness. Will you give *every* part of your life to God? Will you refuse to let fear shrink your vision? If so, God can use you to bring hope and salvation to people who might never meet Him any other way. Decide today to trust everything to God's purposes, and God will use you to make an eternal impact in others' lives.

Yours in Christ,

Stations of the Cross: Fridays in Lent 12:10pm

Come and join us for this 30-minute devotional, observed on Fridays in Lent at 12:10pm running through Good Friday on April 15. Our Stations of the Cross, a gift from Nathan & Jane Simpson, are a series of pictures representing certain scenes in the Passion of Christ, each corresponding to a particular incident. Formerly the number of stations varied considerably in different places but fourteen are now generally acknowledged. The object of the Stations is to help the faithful to make in spirit, as it were, a pilgrimage to the chief scenes of Christ's sufferings and death. It is carried out by passing from Station to Station, with certain prayers at each and devout meditation on the various incidents in turn. It is very usual, when the devotion is performed publicly, to sing a stanza of the "Stabat Mater" while passing from one Station to the next.

Volunteers needed for livestream! Our livestream allows anyone to join us in worship even if they aren't able to be with us in person. Audio/visual technology makes it possible for us to connect with all kinds of folks beyond our doors: Those who are isolated at home or in the hospital, those who have moved away but want to maintain a link to St. Andrew's, those who are looking for a church home. We need additional volunteers for this important function!

If you are interested in learning more, please call or text message Paul Scheuer, Media Committee Chair at 813-449-1686.

The One: Reaching the Lost with the Love of Christ – A Bible Study from Luke 15

Think about the happy relief that floods through you when you find a lost cell phone or a misplaced set of keys. This is just the tiniest hint of what it feels like to reach out to the ones in our lives who are spiritually lost...who have not yet discovered the rich love God has for them. Plus, as the parables in Luke 15 show us, to save “the one” is a wonderful way to respond to God’s great love. Jesus tells stories about rejoicing when lost things are found—specifically, a lost sheep, a lost coin, and a lost child. *The One* uses these parables to teach us how to become passionate about sharing the love and message of Jesus to reach those who don’t know God. We will discover that we are “the One” who is dearly loved and sought after by God.

The four-session DVD features Jennifer and Jim Cowart, co-pastors of Harvest Methodist Church in Byron, Georgia.

Here is the line-up:

2/6 – You Are the One

2/13 – The Sheep

2/20 – The Coin

2/27 – The Boys

This class, facilitated by the Rector, meets in Room 302 (the Library) on the third floor of the Parish Building.

Tuesday Evening Lenten Series

Our annual Lenten Series will begin this year on Shrove Tuesday, March 2nd, and continues weekly through April 5th (with the exception of March 22nd, when St. Andrew’s will host a portion of the Bach Bash).

Each evening begins at 5:30PM with Holy Eucharist in the Children’s Chapel. A potluck supper follows in the parish hall at 6PM and the program begins at 6:45PM.

The presenter this year is The Rev. Ed Rich. Fr. Rich is the retired Rector of St. Catherine’s in Temple Terrace and former assisting priest here at St. Andrew’s. His topic will be Paul’s Letter to the Galatians. The Epistle to the Galatians is a revolutionary document, both when St. Paul wrote it in 54AD and today. He taught that we no longer need to appease an angry God, but rather trust in a God who made us as His children and citizens of His Kingdom. Watch for more information about this program in coming Sunday bulletins and in the newsletter.

VESTRY CLASS OF 2025 NOMINEES

Five new vestry members to be elected

Irene Baker

I was received into the Episcopal Church (from the Roman Rite) in 2004 at St John's Lafayette Square and was an active leader in their Capital Campaign. Upon moving to Tampa, I found St Andrew's in the summer of 2012 and transferred my membership from St Augustine's in Southwest Washington, DC, soon thereafter. One of the many reasons St Andrew's is so special to me is that it is here I met & later married the wonderful Peter Baker!

I recently took the plunge to return to the Lector Rotation. I enjoy supporting our Outreach and Youth Ministry efforts and stepping up wherever there is a need to be filled (e.g., Mrs Claus, The Great Pumpkin, and choir cheerleader/host). I have served on St Andrew's Vestry as an appointee and then in a full elected term, during which time I was Chair of the Helping Hands Committee. Currently I am also an active member of The Chisellers, Inc, dedicated to the restoration and preservation of Henry B. Plant Hall on the University of Tampa's campus.

Professionally, I have widely diverse experiences at international, national, state and local government levels and as a seasoned member of the Intelligence Community. I bring to the table passion for support of our music program, our children/youth programs, and a desire to expand our community involvement. With Tampa growing exponentially, there are so many opportunities to embrace newcomers and expand our parish family.

As we cautiously navigate our return to a "new normal," I would be privileged to share my eclectic talents for the good of our St Andrew's Family!

Barbara Brotherton

Barbara Ann Brotherton was born and raised in Chicago. Upon graduating from high school, she and her mother moved to San Francisco, where she attended San Francisco College for Women. They needed to return to Chicago 3 years later, so she completed her degree work at Loyola University and graduated with a BS in Sociology. She then joined the United States Air Force, where she served for over 25 years. Her last duty station was at Patrick AFB from where she retired. Upon retirement, she devoted herself to being a full-time housewife and mother and serving her local and church communities as a volunteer.

While at Holy Trinity in Melbourne, she served on the vestry 9 months prior to leaving the area. She relocated to Tampa in September 2016. She became active in the music program at St Andrew's (choir and bell choirs) as well as the Outreach, Parish Life, Feeding the Homeless and Helping Hands programs. She also served, and continues to serve, as a LEM and usher at the 8 AM Sunday service. Post-Covid and a little of getting back to some normalcy, she is back as a volunteer member of the choir. She is also active with the Military Officers Association of America and is a volunteer caseworker with the American Red Cross. She feels she has found a church home at St. Andrew's and wants to do all she can to help this church be a strong support to the Tampa community.

Derrick Brown

Originally from Jamaica, Derrick Brown was baptized and raised in the Anglican faith at St. James Cathedral. At The University of the West Indies, he earned a teacher's diploma and a baccalaureate degree in social sciences. While in Miami, Florida, he attended Florida International University (FIU) and graduated with a master's degree in Public Administration and two post graduate diplomas in Public Personnel Management and Labor Relations, and Dispute Resolution Techniques Alternative to Litigation, respectively.

Throughout Derrick's professional career, he has served in many supervisory and administrative capacities as a coordinator, manager, officer, director and administrator at Florida Memorial College and Hillsborough Community College, respectively. In his various roles he took a keen interest in serving low-income, disadvantaged first-generation college students by motivating, mentoring, and helping them to persist academically and to graduate to the next level of higher education. In many instances, several of these students have joined the job market and are now productive citizens.

Over the years, he has had tremendous success in administering a multimillion dollar federal grant at HCC. For his diligent work he has received numerous awards and recognitions from the US Department of Education, professional educational associations, and HCC.

Derrick and his wife Beverley have two adult sons, Donreece and Warren. Since 1995, St. Andrew's has been the spiritual home for his family. Parishioners elected him twice in prior years to serve on the vestry and vestry committees. Beverley and Donreece have also served on the vestry at St. Andrew's. Derrick, Beverley and Donreece are lay eucharistic ministers while he and his two sons serve as ushers on different Sundays.

Attending church services on a regular basis is paramount for Derrick and his family. In addition, support and participation in the extra-curricular activities of the church is not only interesting but also fun. One of Derrick's fondest memories was going with Saint Andrew's Choir in 2014 to Winchester, England, on a musical tour.

If elected, he plans to work collaboratively with his vestry colleagues and the rector to conduct the vision, mission and stated goals of the parish.

Chris Capsambelis

Chris Capsambelis has been a member of the Episcopalian faith for nearly fifty years. Ironically, his first parish was also named St. Andrew's Episcopal Church in New Kensington, Pennsylvania, where he was born and raised. When he moved to Florida in 1989, he became a member of St. Anne of Grace Episcopal Church in Seminole, where his wife, Julie, and he were married thirty years ago. When they moved their family to the gulf beaches, where they lived for ten years, they made Calvary Episcopal Church in Indian Rocks Beach their home. In 2008, Julie and Chris moved to Tampa and once again Chris was a member of a parish named for St. Andrew. Chris and Julie regularly

attend the 8AM service. Chris has served as a Lay Eucharistic Minister at the 8AM service and is currently a member of the Altar Guild. He also served on your vestry from 2013-2015 and again from 2017-2018. Chris has been a Co-Chairperson of both the Outreach Committee and the Parish Life Committee while serving on the vestry.

Professionally, Chris was a police sergeant for ten years and spent another ten years training police officers in both Pennsylvania and Florida. Currently, he is an Associate Professor of Criminology at The University of Tampa, where he has been employed for the past twenty-six years. Chris has a Bachelor of Science degree in Education from Edinboro University of Pennsylvania, a Master of Arts degree in Criminology from Indiana University of Pennsylvania, and a Doctor of Philosophy degree in Measurement and Statistics from the University of South Florida.

Chris and Julie have three sons. Matthew, a member of the United States Air Force, resides in New Jersey; Christopher, who resides in St. Petersburg and is employed at a cyber security firm; and Billy, who is a disabled veteran injured serving our country in Iraq in 2008, resides in the NeuroRestorative Assisted Living Facility in Avalon Park, FL.

Chris would be honored to once again serve you on our vestry.

Richard Chapman

Richard is a lifelong member of St. Andrew's. He served on the Vestry previously from 1997-1999, including one year as Junior Warden.

Richard also oversaw the construction of the Children's Chapel and Sanctuary renovation in 2008. He has served as an usher since 1996.

Richard has been married to wife Ginger for over 25 years. Their two grown daughters – Catie and McKinley – grew up at St. Andrew's.

Away from St. Andrew's he is the vice president of Trimar Construction, a general contractor building commercial projects throughout the state of Florida.

Brad Hall

Bradley A. Hall, PhD, is a compliance analyst at Citigroup in Tampa. Bradley has been a credit analyst at GE Capital, a senior associate at Franklin Templeton Investments, and a branch manager at Amscot Financial. He also was co-owner and travel consultant at Pampered Pirate Travel in Tampa. Bradley graduated from Landmark Christian High School in 1988. He has a BBA from Baylor University (1992) with a double major in Entrepreneurship and Management. His MBA is from the University of Tampa (1999). Bradley has a PhD in Management from Walden University (2015). His dissertation was entitled "Independent Retail Business Owners' Perceptions of the Patient Protection and Affordable Care Act."

Bradley's family was relocated several times during his childhood, beginning in Altadena, California, and moving to Philadelphia, Pennsylvania, at age four. At age eight, they moved to Dallas, Texas, and then they moved one last time at age 10--this time to Cincinnati, Ohio. In the fourth grade, Bradley began attending Landmark Christian School and continued there through high school graduation. At Landmark, Bradley played varsity football, was the senior class president, and was involved in drama and music projects. He was also a member at Landmark Baptist Temple.

Bradley is a committed member of the Saint Andrew's family. He has been attending since April of 2015, and has come to love this wonderful place with its friendly people. He was confirmed as a member of the Episcopal Church on June 4, 2017. Bradley was a member of the Vestry at St. Andrew's from 2017-2020, and sat on the Christian Education Committee, the Welcoming Committee, and was Chair of the Stewardship Committee.

Victoria Klug

Hello, my name is Victoria Brown Blake Klug. I am running for a Vestry position in the 2022 year. I am a lifelong Episcopalian and have attended St. Andrew's on and off since I was a little girl. As a member of a military family, we moved a lot and often found ourselves back in Tampa and worshipping at St. Andrew's. My mother, Audrey, was active in the Women and Beth-El ministry projects at St. Andrew's. In my youth, I was a member of the children's choir here at St. Andrew's and as a young mother, a member of the altar guild at Ascension Episcopal Church in Clearwater. When living in New Orleans, we were members at Christ Church Cathedral. My four children were baptized at St. Andrew's and my husband, Charles, and I were married here in 2012. I am a current at large member of the Bicycle Pedestrian Advisory Committee with Hillsborough County.

What I can bring to the vestry are strong organizational skills, the ability to communicate effectively during delicate discussions, and the flexibility to understand another person's point of view.

IMPORTANT ANNOUNCEMENT REGARDING **2022 ANNUAL PARISH MEETING AND VESTRY ELECTIONS**

Each year St. Andrew's conducts an annual parish meeting at the end of January or beginning of February, which includes vestry elections. Your current vestry has been anticipating the 2022 parish meeting and established procedures to allow voting either by mail or in person.

The 2022 Annual Parish Meeting will occur on **Sunday, February 6, 2022 following the 10:30 AM service**. The parish meeting **will be conducted in person *and also* will be virtual**. The vote for vestry elections will be conducted both in person and via US mail. The vestry voted unanimously to establish permanent procedures allowing parishioners to vote either by mail or in person going forward at all annual meetings.

As everyone is aware, the COVID-19 pandemic has changed many, many aspects of our lives. We are hopeful about the promise of the vaccines on the horizon. However, the risks presented by the pandemic are still very real and very present. The vestry determined it simply makes sense and serves the best interest of the parish to allow voting by mail or in person.

Since the vestry election will be conducted both through the mail and live, **no nominations for vestry will be able to be made during the meeting**. Therefore, we have established the following procedures:

- ***Vestry nominations will cut-off on Sunday, January 16, 2022**. We welcome any eligible parish member wishing to run for vestry to nominate himself or herself. If someone does wish to run for vestry they must be nominated by the deadline on Sunday, January 16, 2022.
- *Ballots then will be issued via US mail to all parishioners beginning on Tuesday, January 18, 2022.
- *Ballots must be returned via US mail and **received in the parish office no later than close of business on Wednesday, February 2, 2022**.
- *The ballots will be formatted and printed in such a manner as to allow parishioners to identify themselves on an outer envelope, and then to vote on a separate page. The certification and ballot then will be returned in a special envelope. Parish staff will open the envelopes, verify the eligibility of the voter, and then separate the ballots (which will remain unopened). The unopened ballots will be collected and presented to the tellers who will count them during the annual meeting election.
- ***Parish staff will create and circulate a list of who has submitted a ballot by mail. Those parishioners who have done so are not eligible to vote at the annual meeting.**
- * The new vestry members will be announced during the Annual Parish Meeting and immediately following the tally by the tellers.

The vestry unanimously and sincerely believes these new procedures will lead to greater participation for all parishioners. Of note, with the 2021 vestry elections by mail, we had the greatest participation in recent memory. Of course, if any parishioners have concerns or wish to discuss this matter, feel free to contact me (cell: 813-857-7931) or any member of the vestry.
